# About Achievement Academy

Achievement Academy is a local non-profit United Way agency which has been serving children with developmental delays and/or disabilities and their families in Polk county since 1955. There are currently 90 students enrolled in our charter schools located in Lakeland, Bartow, and Winter Haven.

## Our Birth to Three Program

provides Early Intervention services to children who are at-risk for developmental delays and/or have established conditions through in-home visits and/or developmental playgroups throughout Polk county.

Through tournament play, sponsorship, and item donations, funds are raised to help children like **Nicholas** and **Katie** receive the vital services they need to make progress. Children at the Achievement Academy receive Occupational, Physical, and/or Speech Therapy. In many cases, these therapies are not covered by insurance and/or Medicaid. Just \$50 provides a child with 1/2 hour of therapy. A month of therapy can cost nearly \$200, and many of our children need all three therapies.

.....  
Please help us provide a bright future for each of our children with special needs by registering and sending your check in today!
